Dear _____,

We are writing to request your support for the annual fundraising auction for International Preschools, an in-town, nonprofit preschool whose approach to education is anything but typical. From the exceptionally low teacher to student ratios to the various languages and cultures present in our classrooms, we are teaching kids to appreciate the world and each other. Our goal is to not only prepare our students for kindergarten, but to make a more sizeable, even global, impact in our young students' lives.

The International Preschools fundraising auction operates by soliciting contributions from area businesses which are then auctioned to friends, family and other preschool supporters. We hope that your organization will consider supporting this worthwhile project, the success of which depends upon neighborhood merchants, businesses and community-minded individuals like yourself. Your donation, along with the appropriate recognition, will be displayed at the auction and published in the auction catalog.

Please contact me personally at the number below and I will be glad to stop by and pick up any donations, as well as answer any questions that you may have. Alternatively, you may mail your donations directly to International Preschools at the above address. Please send your donation by Friday, February 10th, 2012, so we can ensure that your business will be acknowledged properly in our catalog. Our event will be held at the 12th & Midtown Building on Saturday, February 25th, 2012. International Preschools is a nonprofit corporation (Federal Tax I.D. #26-1392564).

We appreciate your time and attention in this matter and thank you in advance for your support and cooperation.

Sincerely,

International Preschools Auction Committee Member
